

LUCY WALTERS

A Walk in a Fairytale Wood

Let me tell you the story of the fairytale wood. It is home to some of our best loved fairytale characters who live happily side by side in higgledy-piggledy houses under higgledy-piggledy trees. Little Red Riding Hood walks through the wood every week on her way to Grandma's house and she always meets friendly faces along the way. Join me to find out what happens on her latest journey.

Timings: 30 minutes per show

Whole school or year group

Classroom workshop to complement show

What other fairytale characters could live in the fairytale wood? Developing character in stories structured by year group

Testimonials of other work
